

1.2.3. To Promotional Items

Need help with promotional items? **mrEmblem Inc.** can help you from start to finish!
Just follow these quick tips to get started...

1. Identify your market: Who is your target market? Do you have a wide demographic group or is it a concentrated more defined market?
2. Identify your product options: Which item or items will work best for you and help to grab your target market's attention? Here are some ideas for promotional items to order:
 - a. Apparel: T-Shirts, Hats, Jackets
 - b. Magnets, Lanyards, Flashlights
 - c. Totes, Coozies, Coolers
 - d. Pens, Pencils, Notepads, Sticky Notes
 - e. Mugs, Cups, water bottles
3. Identify the design/image on the products: Logo, Tagline, or event name? **mrEmblem Inc.** can help with this! We have in-house experts to assist with your every design need!
4. Identify your timeline and budget:
When do you need the products and how much budget are you allotted?

mrEmblem Inc. offers USA made products. We can help you every step of the way!
